ROAD REPAIR IN THE VILLAGE OF LAZIRKI HAS BEGUN.

ROAD REPAIR IN THE VILLAGE OF LAZIRKI HAS BEGUN.

The repair of the road passing through the village of Lazirky has started. The first funds in the amount of UAH 100,000 for current repairs were allocated by Prydniprovsky Krai LLC to the KERNEL group of companies (director Petrov Mykhailo Vasyliovych).

We also inform that on 08.08.2018 the road service in Poltava region signed a contract for the current average repair of this highway in the amount of 1773.3313 thousand UAH, according to which repair work will soon begin on Kotlyarevskogo Street, st. Central, street Shiroka, street

Novoselivska. It is also planned to co-finance from

the local budget in the amount of 300-500 thousand UAH. These funds may be enough only to repair the road in the village, and the section of the road from the railway crossing to the exit to the Kyiv-Kharkiv highway, where the busiest traffic is, will remain unrepaired. The total area to be repaired on this section of the road is 10,500,000 m² (road width 6 m, length of road in need of repair 1700 m). It is

financially impossible to repair this section of the road, as the local budget does not have the required amount of funds. Therefore, the Lazirkivska village council sent appeals to the heads of elevators (Lazirkivska section of Kononivsky Elevator LLC of KERNEL group of companies) and Lazirkivska section of the seed plant of Vyshneve Agro LLC of KERNEL group of companies and Druzhba of Prydniprovsky Krai LLC. »Group of companies" KERNEL "with a request to allocate in 2018 the necessary funds for repair work on the section of road from the railway crossing and before the exit to the highway Kyiv-Kharkiv in the village of Lazirky.
