PIK Becej went bankrupt in May 2015, after several years of financial hardship. Local media reported that the company's assets offered for sale included irrigated farmland totaling 2,908 h, a fodder factory, silos with a total storage capacity of 44,500 t, machinery, pig and cattle farms, a vegetable processing factory, fishery farm and other farming facilities.

Established in 1983, MK is involved in agricultural commodities production, trading and logistics, meat production and processing, sugar production and agricultural inputs distribution in Serbia and in farming and grain storage in Ukraine. The company is also active in tourism, IT, financial services, real estate and energy.
