### **Roxgold pours first metal at new Burkina Faso mine**

2016-05-18

TSX-V-listed Roxgold has poured first gold totalling 1 020 oz at the Yaramoko gold project, in Burkina Faso. The pour took place thirteen months from breaking ground and the Yaramoko mine was built on budget, ahead of schedule and was one of the highest-grade gold mines in the world, the company advised.
