Long Duc Industrial Park: Attractive Investment Destination in the South

🕒 MARCH 20, 2008 👤 ROBERT 💬 LEAVE A COMMENT

So far, the Long Duc IP has a leasable area of 65.85 hectares, including 15.8 hectares of the first phase and 50.05 hectares of the second phase. 21.22 hectares, or 32.22 per cent, is

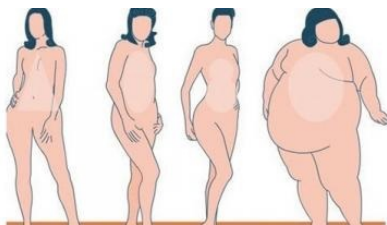

currently leased. Apart from the resettlement area in use, the Tra Vinh Industrial Zones [Authority](#) instructed the Long Duc Industrial Park Infrastructure Development Company to build infrastructure items like inside roads, [site clearance](#), water supply and drainage systems, storm sewers, 22-kV power lines, three-phase power lines and green areas. To date, infrastructure system [construction](#) is 30 per cent complete. The wastewater treatment system is expected to be finished in the fourth quarter of 2008. Among four operational projects, the construction of factories is some 80 per cent complete (My Lan [Chemicals](#) Company, Van Ty Co. Ltd, Long Duc Co. Ltd, and Khai Hoan Shoes Company branch). Among three projects under construction, workshop construction reached some 50 per cent (Post and Telecom Joint Stock Company, My Lan Printing Material Production Joint Stock Company and Aquafeed Cuu Long Fish Feed Processing Company). Two projects are nearing design [completion](#) for construction in the first quarter of 2008 (Khanh Phong Plank Stone Production Company and Thien Nhien [Package](#) Production Company). In the past years, Tra Vinh Industrial Zones Authority has actively cooperated with concerned branches and authorities and instructed its offices to simplify licensing procedures to facilitate investment activities. Particularly, investment licensing, seal granting and tax [code](#) granting procedures were shortened to three days from 15 days. In the coming... [\[Read full story\]](#)
