'Election budget' or quality budget (editorial/election-budget-or-quality-budget-1528560237)

'Election budget' or quality budget

When a new national budget is unwrapped in a country like Bangladesh, criticisms and queries do, usually, come aplenty from various interest groups and experts. For obvious reasons, it is almost impossible to prepare a budget that would satisfy everybody. The men in-charge of budget preparation burn midnight oil to locate the revenue sources and distribute the same among too...

Where openness and transparency are not synonymous

The novelty is largely missing in the proposed budget for the incoming fiscal year (FY), 2018-19. Most bits of it -- whether its aggregate size or its resources mobilisation part by way of tinkering with rates, duties as well as in areas, expenditure outlay of both 'recurring' or 'developmental' in nature, the growth target of the country's gross domestic product...
