ABOUT US

Tiryaki Agro was founded in 1980 by Ali Tiryakioglu as a small scale lentil processing facility. Today Tiryaki has grown into the largest agricultural company in Turkey in the field of the supply, production and processing, storage and trading of agricultural food products with the values of a honest, visionary and hardworking attitude. As a proof of its achievements it was ranked 63th and 117th in Capital's survey "Top 500 Private Companies in Turkey" 2012 and in ISO's survey "Top 500 Industrial Enterprises in Turkey" 2012 respectively.

EFFICIENT SUPPLY CHAIN MANAGEMENT

Tiryaki operates in the field of pulses, grains, dried nuts, organic food, feed and oil seeds setting the principals of managing the supply chain efficiently to deliver the products to our meal.

INVESTMENT IN INSTITUTIONALIZATION

The biggest capital of Tiryaki is dynamic human resource. Growing operationally stronger in domestic and global markets in line with the process of institutionalization, Tiryaki partnered with Investcorp, a global portfolio management company, which made its first investment in Turkey with Tiryaki in 2010 that proves the achievements of Tiryaki. It also partnered with the European Bank for Reconstruction and Development (EBRD) in early 2012. Additionally Danem company, founded jointly by Tiryaki and Ulker, is engaged with the distribution and marketing operations for pulses products in the domestic market. And Mark Daniell, who had worked for global companies for many years, was appointed as an independent member of the Board of Directors at Tiryaki.

REGIONAL LEADERSHIP VISION

The growth strategy of Tiryaki is based upon dynamic human resource and strong financial resources with a vision of regional leadership.

ORIGINATION AND CENTRALIZATION

Tiryaki, which has businesses, offices and warehouses at 10 locations with the production and storage facilities in Gaziantep, Trabzon, Mersin, Bandırma, İzmir, Derince, Iskenderun, Samsun and Corum provinces, structured its origination and market access in MENA and CIS region mainly in Turkey and chose Istanbul as headquarters and opened the corporate office in Istanbul in 2010.
RISK MANAGEMENT

Recognizing the importance of effective risk management in agricultural trade, Tiryaki established an effective risk management team and system which suits our sector and the region in scope of institutionalization progress.
