- Kazyna and Toyota Tsusho signed mutual cooperation MOU

## Press Room

### Kazyna and Toyota Tsusho signed mutual cooperation MOU

2008-06-26

Kazakhstan Sustainable Development Fund "Kazyna" JSC (Mr. A. Dunayev, Chairman of the Board) and Toyota Tsusho Corporation (Mr. J. Shimizu, President), a Japanese trading company, signed the Memorandum of Understanding to review the perspectives of mutual cooperation in the sectors of chemical and petrochemical industries, processing of agricultural products, infrastructure and energy on June 21, 2008.

The parties agreed to start from the development and preparation of technical and economic assessment for the integrated power and fertilizer project in the western part of Kazakhstan. The plant complex is expected to contribute to the development of agricultural sector and cope with the increasing demand of electricity in the western part of Kazakhstan.

Kazyna and Toyota Tsusho Co. are going to review the project which dedicate to the development of industries of Kazakhstan.
