## Core Business

Tradewinds Plantation Berhad's operations is one of the largest in Malaysia. The Group has a landbank of 151,850 hectares, of which 87,515 hectares or 54.5% are located in Sarawak, another 11,302 hectares or 8.0% are in Sabah, while the remaining 53,039 hectares or 37.5% are in Peninsular Malaysia.

As a leading entity in the plantation industry, Tradewinds Plantation Berhad continues to make its mark, integrating our strong industrial strength and expertise to create distinctive value whilst capitalising on the boundless opportunities and handling challenges that come our way.

“**Enhancing Value: Success Through Precision**” reflects our expanding capabilities into different ventures that has catalysed our growth and sustained our forward momentum in both local and regional markets.

The imagery of the hand stitching motion illustrates our hands-on approach, infinite passion and utmost dedication while possessing an eye for detail as we meticulously craft value and strive for excellence in all that we set out to do.

We at Tradewinds Plantation Berhad, are constantly enhancing value and attaining success through precision.
