## OVERVIEW

Tradewinds Plantation Berhad is one of the largest oil palm and rubber plantation companies in Malaysia.

Our upstream operations include the development of oil palm and rubber plantations, management of estates and mills, as well as processing of fresh fruit bunches (FFB) for crude palm oil (CPO) and crude palm kernel oil (CPKO). Total landbank currently stands at approximately 160,000 hectares. About 87% are planted areas, out of which :

Oil Palm 132,940 hectares

Rubber 6,940 hectares

We work in tandem with Tradewinds (M) Berhad, our Holding company, to strengthen internal and external capabilities whilst being focused on delivering quality and service efficiency, optimising resources and maximising returns. Guided by our vision, mission and core values, the company is strongly focused into delivering highly progressive and sustainable returns by capitalizing on new capabilities, as well as strengthening its existing core.
