

ABOUT TRURICH RESOURCES

Trurich Resources Sdn. Bhd. was founded in 1998 in palm plantation areas and overseas investment by a strong commitment towards becoming one of the leading companies in East Asia.

Trurich was first registered on 19th February 1998. Lembaga Tabung Haji relinquished 50% of its equity in Trurich Resources Sdn. Bhd. Kalimantan. From then on, Lembaga Tabung Haji became one of the shareholders of Trurich Resources Sdn. Bhd.

The company's principal activity is in investment, cultivation of oil palm, processing of Fresh Fruit Bunch (FFB), Palm Kernel (PK) and FFB. Trurich's central activities are carried out through its subsidiary companies in Indonesia. These are PT. Utama Mandiri, PT. Anugrah Kembang Sawit Sejahtera and PT. Trurich. The management of Trurich's investments in Indonesia is managed by Trurich Resources Sdn. Bhd.
