EBRD increases UkrFarm Funding credit line to $40 mln

UkrFarm belongs to the holding company Ukrainian Agrarian Investments, the main shareholder of which is Renaissance Group.

KYR, July 4, 2011 (UBO) - The European Bank for Reconstruction and Development (EBRD) increases its credit line for UkrFarm Funding Limited (Cyprus), uniting more than 70 Ukrainian agricultural enterprises and an affiliate of Renaissance Group, to USD 40 million for the expansion of the company’s activity, UkrInform reported.

The credit line was opened in 2010 in the original amount of USD 20 million. It is assumed that the loan will help UkrFarm Funding increase the efficiency and productivity of arable land, as well as provide the expansion of land bank by 50,000 ha to 300,000 ha before the end of 2013.

UkrFarm belongs to the holding company Ukrainian Agrarian Investments, the main shareholder of which is Renaissance Group.
