Under the deal, the Vietnamese Company will make preparatory steps to invest in rubber plantations with an aggregate area of 1,000 ha in the districts of Muong Hun and Muong Beng, in the Lao northern Province of Udomxa.

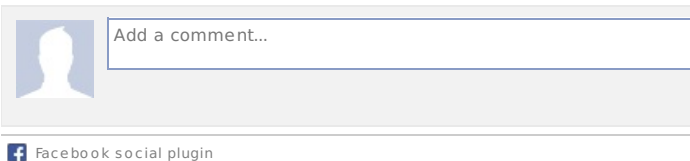

At the signing ceremony, the Director of Dien Bien Rubber Company said that this was the first-ever rubber planting project invested in northern Laos by a Vietnamese investor.

“Although local infrastructure is in a poor condition, the Company with its long-term traditions and rich experience will overcome [...]”
