

Patrick Ghidirim
NCH CAPITAL

Patrick joined NCH in 2007 and is based in Moscow. Patrick is responsible for the general management of NCH's agribusiness portfolio in Russia, which he has built from start-up into a leading industry player known as AgroTerra Group, with more than \$530 million of invested capital. AgroTerra Group includes 21 farms in Central Russia and several other companies providing services in grain storage, farm input distribution, logistics and back-office operations.
