[ZCCM-IH has 10% shareholding in MCM]

Mopani Copper Mines plc

Mopani Copper Mines Plc is an integrated copper and cobalt producer that is owned by Carlisa Investments Corporation, a joint venture company registered in Zambia comprising Glencore International AG (73.1%), First Quantum Minerals Ltd (16.9%) and ZCCM Investment Holdings (10%). Mopani is the largest copper mine in Zambia and one of the largest mines in the world. Recently, the board of Mopani announced a new \$320m shaft and associated infrastructure to be constructed at its Synclinorium project. The new shaft will significantly boost production and extend operations well beyond the current depletion dates.
